Did you know?

Read these interesting facts about the world and communities with a parent, carer or teacher.

We live on a planet called Earth.

A community is a group of people. We are all members of different communities, including our family and school.

Living things, including people, animals and plants, share the environment.

Maps show 2-D images of land, seas and oceans.

A map can help us to plan a journey.

The United Kingdom is made up of four countries. These are England, Northern Ireland, Scotland and Wales.
